A.L.L. OVERVIEW

A.L.L. was established in 1987 with 18 members and now has an active membership of 600-700. The Board of Directors, course coordinators and front desk staff are all A.L.L. volunteers. Kerry Arnett, is the ALL Office Administrator. The A.L.L. Office is staffed Monday through Friday, from 8:30 a.m. – 3:00 p.m.

A.L.L. is a social organization and you are encouraged to visit the office early on the day of your class and get to know classmates and other members you meet in the lobby area. Signing up for a committee is a fun way to meet interesting people. Most importantly, enjoy your time at A.L.L.

A.L.L. Mission Statement – The Academy for Lifelong Learning of Cape Cod offers an opportunity for those aged 50 and over to pursue their intellectual interests and educational activities and to explore new areas of learning in the company of their peers.

Fostering social relationships is an integral part of our mission. A.L.L. promotes and maintains a close and productive relationship with Cape Cod Community College.

WELCOME

NEW MEMBER INFO AND BENEFITS

Welcome to A.L.L. We hope that you will find your time with A.L.L. a rich and rewarding experience, both intellectually and socially. Most of our courses are taught on the second floor of the Grossman Commons Building (located above the cafeteria) in rooms C106 and C115. Others may take place in other sites described in the **2017 Fall Course Catalog**.

A.L.L. direct phone number is
774-330-4400 and our website is www.capecodall.org.

Cancellation of classes because of snow or weather

You can also call the college **Hot Line** number at **508-375-4070**. If the college is closed, A.L.L. is also closed. Closings will also be announced on the radio and TV. Your coordinators will arrange any variations in their schedules directly with each of their classes.

A.L.L. follows the college calendar so when the college is closed for holiday/semester breaks etc., A.L.L. will also be closed – check with your class coordinators or the monthly newsletter for those dates.

College Campus Facilities – A.L.L. Member Use

The Hyannis Campus is located at 540 Main Street and is also accessible from North Street. The building is located behind Colombo's Restaurant and across from the Burger King on North Street. There is plenty of parking behind the building in the adjoining lot. This packet includes maps of the various locations of your classes.

The Wilkens Library is open seven days per week; a schedule of hours is on page 8 in this packet. In order to take out books you will need a CLAMS card. CLAMS stands for Cape Libraries Automated Materials Sharing and is the library card used by most public libraries on the Cape. You can obtain a CLAMS card at any public library, except Sandwich. Check with the librarian before you go as to the accuracy of the times and for weekend hours

Fitness Center access requires a student ID which can be obtained in the Cafeteria the first two weeks of school from 9-2 or afterwards at the Student Life Office in Grossman Commons.

The Cafeteria is located on the first floor of the Grossman Commons Building, one set of stairs below the A.L.L. Office. The cafeteria is open and available to A.L.L. members.

Parking

A.L.L. members use parking lots 9, 10, and 11. Lot 9 - Follow walk up hill to Grossman Commons. Lots 10 and 11 - follow path to the Technology building (easier walk). You can also use the elevator in the Technology Building up to 1st level and walk across to the Grossman Commons Building.

There is handicapped parking available outside the Grossman Commons building with a proper permit.

Classes

We ask that you make a commitment to attend all of your classes. If you can't attend, please directly notify your coordinator. If you choose to drop out of a class, please let the class coordinator and the A.L.L. office know. **If you drop out of all classes' right after the first class, your money will be refunded.**

There will be a posting outside rooms C-106 and C-115 showing classes that still have openings. You are welcome to sign up for any of those classes at no additional membership cost if you are already registered.

Please also fill out your medical information card and keep it with you at all times.

Social and Special Events

In addition to classes, A.L.L. offers lectures, trips and other special events that you will hear about throughout the semester in your classes as well as in A.L.L. communications. If we do not have your email address or if you change your email address, please be sure to notify the A.L.L. office so we can update our records and keep you informed.

Publications - Reflections Magazine and ALLways - Monthly Newsletter

As an A.L.L. new member you will receive our monthly newsletter updating you on events, lectures, what our members are up to as well as important A.L.L. news of interest to our membership. The Newsletter is distributed electronically so it's critical to provide your email address especially if it changes so we can update our records and keep you informed.

Volunteer Information

In your packet, you will find a Volunteer Information form. Since A.L.L. is a volunteer organization, we hope that you will find time to be involved. There are many volunteer opportunities such as covering the front desk; a list of committees can be found on page 7.

You might consider offering a course yourself—6 or 12 weeks—alone or with a spouse or friend. Lew Taylor is the Curriculum Committee Chair and can answer questions about coordinating a course. If you wish to teach a course, you can submit your course proposal through our online form at www.capecodall.org under “Course Submissions” located on the top menu bar of the website home page. A.L.L. is always looking for new course ideas.

A.L.L. relies heavily upon volunteers and we encourage you to fill out the volunteer form in your folder and hand it in today.

If you would like a tour of the campus, Dave Johnston has kindly offered to show you around. Once again, welcome and we hope that you will enjoy the many opportunities that A.L.L. has to offer

If you have any further questions, please ask us now.
